

CORPORATE CUP

Street Criterium

Enjoy the thrill of street criterium racing as the lead-in to the elite National Road Series event later in the evening.

The Cycle Sunshine Coast Corporate Cup is an exciting opportunity for the business community to get their staff and/or clients together to enjoy a new regional event raising money for a great purpose.

To be held on Friday night, December 10 in the Maroochydore City Centre, entrants will vie for individual and team honours while raising funds for local charity Compass and their Assistance Dog Program.

The goal is to raise \$30,000 for Compass to gift a life changing assistance dog to a young person in need. If we achieve our goal, our Assistance dog will be called Spokes!

Post racing participants will enjoy all the NRS action from our corporate hospitality tent.

What are you waiting for? Get your team together, order your branded kit from Black Sheep Cycling, and set your fundraising goal!

THIS EVENT IS **CHANGING LIVES** THROUGH SUPPORTING **COMPASS**

MEET ERIN & AMORE

"Hi, my name is Erin. I was born with disabilities that mean my sight isn't very good, I fall down a lot, am very anxious and don't sleep well at night. When I was six years old, Amore came into my life as a Compass Assistance Dog and my whole world has changed."
